Page 3: B. General Summary of Implementation:Progress and Challenges

Q8 1. What have been the most successful aspects of your implementation of the Partnership? (up to five points)

| d | Building collaboration with national and international partners |
-

Q9 2. What have been the main challenges in your implementation of the Partnership? (up to five points)

- | | |
|---|---|
| a | Obtaining external funding to carry out objectives (e.g., seabird colony register) |
| b | Turnover in Seabird Working Group membership owing to voluntary framework of EAAFP |
| c | Dedicated staff support to carry out bi-annual plans |
-

Q10 3. What are the future priorities for your implementation of the Partnership? (up to five points)

- | | |
|---|--|
| a | Improve/increase communication among stakeholders and partners in developing future priorities |
| b | Improve coordination among Working Group members and other EAAFP Task Forces and Working Groups |
| c | Successfully obtain funding to implement seabird colony register with EAAFP colonies |
-

Q11 4. Do you have any recommendations on the support needed from the EAAFP Secretariat?

Additional time dedicated to Working Groups and Task Forces during the annual MOPs. Additional support (funds) to hold teleconference calls (e.g., international conference call support).

Q12 5. Do you have any recommendations on the support needed from other Partners, Working Groups or Task Forces?

Improved communication and coordination among partners, working groups, and task forces

Q13 6. Do you have any other general comments on implementation of the Partnership?

We appreciate the great efforts of the Secretariat to help conserve EAAFP waterbirds. Making MOPs more effective is crucial to the intersessional work conducted by partners, working groups, and task forces. Reducing sessions of "reporting out" regarding country reports is unnecessary and could be better used.
